MINISTERS TO END HISTORIC PARLEY TODAY

Final Meeting Scheduled To Clean Up Minor Details of Five European Satellite Treaties

SOVIET CONCESSIONS

New York, Dec. 12.—(P)—Faced by a new round of concessions from Soviet Foreign Minister V. M. Molotov, the Big Four Foreign Ministers Council arranged to finish its historic peacemaking sessions in New York today after having completed plans for drafting German and Austrian peace settlements.

A final meeting was scheduled for 4 p. m. to clean up minor details of the five European satellite peace treaties and approve the draft of a six-point agenda for the big four conference in Moscow March 10 to begin work on treaties with Germany and Austria.

In a busy, swift-moving session last night the Big Four agreed that prior to the Moscow sessions small nations would be given full opportunity to present their proposals for German and Austrian settlements to boards of great power deputy foreign ministers in London beginning January 14.

Due mainly to last minute agreement by Molotov it was also decided that Secretary of State James F. Byrnes' proposal for sharply limiting occupation armies in Europe and for a 40-year German disarmament pact would be fully considered at the Moscow meeting.

Molotov tentatively blocked a Byrnes move to invite the Chinese government to participate in the Moscow meeting and final decision (Turn to Page Seventeen)

Abortive Revolt In Venezuela Is Over

Caracas, Venezuela, Dec. 12.—(P)—The government of President Romulo Betancourt emerged unscathed today after an abortive 12-hour revolt yesterday in which insurgents made a bold bid to capture the president and overthrow his year-old revolutionary cabinet.

All is over, Betancourt told newsmen last night. He said all the insurgents either had been captured or had fled the country. There were no fatalities and only a few wounded, he added.

KILLED ACCIDENTALLY

Johnstown, Dec. 12.—(P)—Albert G. Bergman, 70, retired chief of plant police for the Bethlehem Steel Co., died in Memorial Hospital yesterday from an accidental bullet wound suffered while cleaning a pistol in the basement of his home. The shot struck Bergman in the left side of the chest near the heart. He lived only about an hour. Deputy Coroner Stropko said the shooting was an accident.

CONSIDERS CABINET

Harrisburg, Dec. 12.—(P)—Governor-elect James H. Duff is planning a happy new year for at least fifteen prominent Pennsylvania citizens. He will name his new cabinet shortly after the first of the year. Duff said yesterday that "there will be no pronouncement on the cabinet until all members are picked," and added, "that will not take place until after New Year's."

Hotel Clerk Skeptical Over News of a Legacy of \$5,000

Philadelphia, Dec. 12.—(P)—Hotel Clerk Thomas L. Quigley said today he was advised a \$5,000 legacy had been left him but thinks the whole affair is "a practical joke."

Quigley reported the information came from a Newark, N. J., detective and added "I have a negative word of the existence of such a legacy and until I receive such word I will consider the whole matter a practical joke."

Approval of Plans For Dam At Buchers Mills Good News For Sportsmen of the Area

One of the best pieces of news that has ever come to Warren was the announcement received from Harrisburg yesterday by State Senator L. E. Chapman that the dam on Tionesta creek at Buchers Mills had been approved for construction. Senator Chapman, with Assemblyman Allen Gibson have been working for this project for the past several months and the fact that it has been approved for construction at a cost of \$150,000 is grand news.

Success of the enterprise is undoubtedly due to the support of the Warren County Field and Stream Club. Concealed several years ago by a group of sportsmen of Clarendon and vicinity, a survey was made by Carl Rogers for the State Game Commission. Land needed for the project was given and the deeds placed in escrow until such a time as construction might be undertaken.

The coming of the war halted all agitation for the project, but with the end of the war the Warren County Field and Stream Club brought the project back to life. A petition for building of the dam was filed with the Department of Forests and Waters and it was followed by salvos of resolutions passed by fraternal and civic organizations of the city. Warren, in fact, stood unitedly behind the project.

At times many of the supporters of the plan lost faith by seeming delays but under an Act passed by the last legislature a fund of \$16,000,000 was created for expenditure of the Department of Forests and Waters. However there was no provision for maintenance provided in the Act and some hesitancy was met with in making a decision. The dam is the first to be approved under the Act. Construction will undoubtedly be in the hands of the Department of Forests and Waters and from all indications work will be started next spring.

According to the tentative plan the dam will be built in the Tionesta near the old mill dam site and will form a lake over a mile in length almost to the old Kalkbush Game Farm. It will afford facilities for bathing and boating and should be the mecca for thousands.

On the hillside to the east of the proposed lake land has been secured whereon will be installed a recreational plot with bathhouses, fire places, picnic tables, etc., making the place one of the finest to be found in this whole area.

It will mark the first lake of the kind in the Allegheny National Forest area and will give impetus to the construction of camps and cottages in the area. In fact there are already a score or more of camps and cottages on sites that have already been purchased. Many of the ones along Tionesta creek are owned by persons from the Pittsburgh area and the lake will undoubtedly create an added urge to visitors to spend time in the valley.

The Tionesta creek has for many years been one of the finest fishing streams of the whole region and with the dam in place stocking will be carried on until it will be a resort for young and old.

Bathing facilities will be given attention and the bathing beach will be hauled with all of the joy that can be felt by people of this entire section. Twin Lakes, near Kane built by the National Forest through relief funds has been for many years a great resort for bathers and picnic parties but due to the construction of the dam and location the water is cold much of the year and will be in sharp contrast to the large lake formed on the Tionesta. With this new resort built and in service this area at Loleta, near Marienville, one at Sabula, near DuBois and the big lake formed by the Tionesta dam.

At the meeting of the Field and Stream Club to be held this evening there will undoubtedly be real celebrating by the 1600 members who have worked long and faithfully for the project. The Field and Stream Club has really performed some most worthwhile services for the people of the county with the establishment of the Fisherman's Paradise on the trout stream of already and extensive planting and feeding program for small game. The members are to be congratulated.

The clubmen are also to be given much credit for the bringing of thousands of dollars to this area in the pockets of hunters who find Warren county a real section of the best hunting territory in the nation. The Field and Stream Club is carrying on decision propaganda to make the great Allegheny National Forest a real playground for the people and to that end are working hard.

FATHER AND TWO SONS VICTIMS OF FLAMES

Reading, Dec. 12.—(P)—Flames raged through a two-story home in an isolated section of Berks county leaving a father and two sons dead and two others in serious condition.

Ralph De Vough and his sons George, 12, and Larry, one, perished last night in the blaze which began when an oil lamp exploded.

Mrs. De Vough and her daughter Mary, 15, were in serious condition at St. Joseph's Hospital. Two other children, Evelyn, 17, and Dallas, nine, escaped through a kitchen window.

RETURNS AWAITED FROM WESTMORELAND

Harrisburg, Dec. 12.—(P)—Delayed election returns from one county is holding up certificates of election for state-wide offices and one congressman in Pennsylvania. The election bureau said yesterday that Westmoreland's county commissioners had failed to send in their returns and until they do U. S. Senator-elect Edward Martin Governor-elect James H. Duff, and other state-wide victors at the Nov. 5 election must wait for their certificates.

Rep. Augustine B. Kelley, of Westmoreland county, will also have to wait for his certificate, but the other 32 Pennsylvania congressmen will get their certificates in a few days, declared Mrs. Elizabeth Zimmerman, director of the election bureau.

named administrator, established that two sisters and two nephews were to benefit, but was unable to locate one of the nephews.

It developed finally, said Keenan, that a brother of Kate Quigley had a son named Forrest C. Quigley, who lived at Newark, but that Forrest changed his name to "Thomas L." and moved to Philadelphia.

Police Chief Philip Sebald of Newark said the money is awaiting Quigley's arrival. He said that Quigley failed to keep an appointment last night and that his wife telephoned:

"We don't need the \$5,000 that had to go all the way to Newark. Why don't you just send it to us?" Sebald said that before the "sending," there would be some questions.

\$3,000 Is Reward For Return of \$18,000

Bismarck, N. D., Dec. 12.—(P)—Kenneth R. Yieter, a bartender, walked into the Bismarck Tribune newsroom and slammed six 50-cent pieces on a desk.

The \$3, he said, was a reward given to him by a Bismarck contractor for finding \$18,000 worth of endorsed and negotiable checks owned by the contractor.

Bilbo Probe Is Launched By Committee

Washington, Dec. 12.—(P)—Maj. Gen. Thomas M. Robins told senate investigators today that A. B. Friend, 1940 campaign manager for Senator Bilbo (D-Miss), was the "promoter" and "front man" for a \$1,731,029 contract to build an army air field at Meridian, Miss.

Washington, Dec. 12.—(P)—Senator Theodore G. Bilbo (D-Miss) was barred today from cross examining witnesses testifying to a senate committee about his relations with war contractors.

Chairman Mead (D-NY) announced this ruling as a senate war investigating subcommittee opened public hearings here with Bilbo and his attorney, Forrest B. Jackson of Jackson, Miss., on hand.

Jackson, asked whether he or Bilbo might question witnesses, Mead replied that the committee would "not allow cross examination to take place" because it "did not like to have authority transferred to anyone not a member of the committee."

But both Mead and Senator Ferguson (R-Mich) suggested that Bilbo or his attorney had any questions they wished asked of witnesses, the questions could be presented in writing to the committee.

Opening the hearing, Chairman Mead said that the war investigating committee has "instructed us to ascertain the truth with respect to alleged transactions between a member of the senate and certain war contractors."

Charges have been made that a former war contractor gave Bilbo more than \$30,000 in cash, a new home, an automobile and other things.

Wide-Open Fight In UNRRA Council

Washington, Dec. 12.—(P)—An American-Soviet dispute threatened today to precipitate a wide-open fight in the 48-nation UNRRA Council over the method of winding up aid to war-blighted nations.

At issue is more than \$625,000, 000 in unexpended UNRRA funds for relief shipments abroad.

Russians through their chief delegate, Nikolai Feonov, has demanded that:

1. Existing contracts for U. N. R. R. A. aid to needy countries be carried out to the letter, and

2. That UNRRA, officially scheduled to end Dec. 31, continue until April, 1947.

Both proposals encountered immediate, bitter opposition from the American delegate, C. Tyler Wood.

An informal committee discussion showed a count of five to three speakers in favor of prolonging the council's life until next April.

Premiership Of France For Blum

Paris, Dec. 12.—(P)—Socialist Leon Blum, 74, was virtually assured of election as president-proviseur of the interim French government today, when Georges Bidault's MRP (Popular Republican Movement) party decided not to present an opposition candidate.

Agreement on the candidacy of Blum, premier of the 1936 "popular front" government, ended a two-weeks old cabinet crisis. He was due to be elected by a nearly unanimous vote later in the day by the national assembly, meeting for its third try at electing an interim president.

Blum's most outstanding record since he was liberated from a German prison camp in May, 1945, was the negotiation of the United States loan to France last spring. The new cabinet he would be called upon to form is scheduled to last until mid-January, when a permanent government is to be established.

PINCHOT WILL

Milford, Dec. 12.—(P)—Gifford Pinchot, former governor of Pennsylvania who died in New York last Oct. 4, left his entire estate to his widow, Cornelia Bryce Pinchot, his will discloses. The will, filed today, mentioned no public bequests and did not estimate the value of the estate. Mrs. Pinchot and their son, Dr. Gifford Bryce Pinchot, were named executors.

EIGHT KNOWN DEAD IN FIRE IN NEW YORK

Flames In Abandoned Ice House Cause Five-Story Wall To Collapse On Tenement Building

SCORES ARE INJURED

New York, Dec. 12.—(P)—At least eight persons were dead and 38 others, including children, were believed buried under tons of debris, following a five-alarm fire early today in an abandoned ice house on Manhattan's upper west side, which caused a five-story wall to collapse, crumpling an adjoining tenement building.

Police and firemen, digging frantically against time, removed four bodies from the wreckage and said they had sighted four more. Nearby hospitals admitted more than a score of injured. Ambulances were rushed to the scene and a first aid station was set up.

The identified dead are Frank Moorehead, 27-year-old fireman; Anthony Biancardi, 11; Daniel Corrado, 25, and Thomas Phillips, 70. All except the fireman were residents of the tenement building.

Fire Marshall Thomas P. Brophy said the cause of the fire was not known. A small rubbish fire had been extinguished the day before in the ice plant, located at 484 West 184th street.

The noise of the toppling walls caused first reports to list the disaster as an explosion.

The pile of debris from the tenement building was as high as the second story. One portion of the tenement was flattened, the other wrecked by the force of the collapse, which virtually sheared the building in half.

Police pulled from the wreckage Joseph Poper, Jr., nine years old. He had cried and shouted until help reached him. He said he and his brothers were trapped.

Special emergency crews tearing at the wreckage with bars, picks and bare hands came across the pitiful remnants of gaily wrapped Christmas packages, holly and bits of tinsel.

Mayor William O'Dwyer rushed to the scene and promised an investigation. Crowds watched rescue efforts from nearby rooftops and police roped off nearby streets.

The collapse came 15 minutes after the fire broke out at 12:10 a. m. Charles Whitecroft, nearby resident, said the explosion "felt like an earthquake" and was followed by "terrible screaming of children."

After the collapse firemen heard frantic cries from the ruins and were able to drag out a number of victims.

Clarion Co. Men Accused Of Embezzling

Clarion, Dec. 12.—(P)—Max E. Hosea and Charles A. Lampel, officials of the New Bethlehem Community Telephone Co., were free under \$4,000 bond today, awaiting a hearing Dec. 31 before Justice of the Peace James Arner on charges of embezzling \$15,000 from their company.

Warrants were issued on an information filed by District Attorney William P. Geary on complaint of Ralph Eccles of Rimersburg, president of the telephone company.

Geary said Hosea and Lampel came to New Bethlehem from Indianapolis a few months ago and became controlling stockholders of the corporation by buying stock held by Henry Drohn of New Bethlehem, for \$80,000, of which \$8,000 was paid.

At a stockholders' meeting last Aug. 15, Hosea was elected vice president of the company and Lampel secretary-treasurer. On the same day, Geary said, the two officers signed and cashed two company checks for \$7,500 each at the First National Bank at New Bethlehem.

Geary said Hosea and Lampel, at another stockholders' meeting Oct. 14, said they had loaned themselves the \$15,000 from the company's funds and that the loan was secured by notes they had issued to the corporation payable at the Citizens' State Bank in New Castle, Ind.

DISPOSAL PROGRAM ENCOUNTERING DELAY

Harrisburg, Dec. 12.—(P)—The commonwealth has refrained from ordering any municipality to build any sewage treatment works under the clean streams program due to "skyrocketing" construction costs, Dr. H. L. Alderfer, state director of municipal affairs, said today.

Rather the state is asking local governments "to prepare plans and make ready for ultimate construction," Alderfer said in an article in the monthly bulletin of the department of internal affairs.

Officials Probe Death Of Young Mother Found With Bullet Wound Through Head

The body of Mrs. Irene Kline, wife of Charles James Kline, was found in the second floor bedroom of the couple at 120 Canton street Wednesday afternoon when their children returned home from the South street school. Death had been caused by a bullet from the .45 calibre service revolver, which lay near the feet of the woman, leaving a gaping wound through the head at the temples.

After a lengthy investigation of the tragedy by Lieutenant M. Evan and other members of the police department, cooperating with Coroner Ed Lowrey, the officials announced that the shooting had all the elements of suicide, but there was a possibility that it may have been accidental.

Mr. Kline is employed by the R. W. Morris Co. and was visiting customers in Bradford at the time of the shooting.

It is the second tragedy to visit the home in three years, since it is recalled that a son, Dickie, then seven years old, was drowned in the Allegheny river in April, 1943. His body was recovered later some distance below Warren.

The three children, Janet, 12, Lois 11, and David 8, reported they had been home for lunch at the usual time, and that their mother appeared in excellent spirits. It was noted that the dishes had been washed and the kitchen tidied up before the tragedy occurred.

When they left home, they said, Mrs. Kline was on the davenport in the living room.

The position of the body and a mark in a sidewalk where the bullet entered indicated that Mrs. Kline was probably standing in front of a chest of drawers when the fatal shot was fired. The weapon was found under a sideboard of the bed a short distance from her feet and the empty shell, automatically ejected, was discovered perhaps six feet away. The officials were informed that the revolver had been borrowed from a friend by Mr. Kline a week or ten days ago for target shooting.

The investigation is still under way.

Both Mr. and Mrs. Kline, with their family, have been popular among the neighbors and friends, and the untimely death of the young mother was learned with sorrow by the entire community.

Helen Irene Kline was born October 7, 1912, at Lawrenceville, Ill., and had resided in this community for the past 29 years.

Besides her husband, she leaves four children, Barbara, Janet, Lois and David, all at home; her mother, Mrs. Cora Wolfe, of this city; five brothers and sisters: Alfred Wolfe, Salem, O.; Blair Wolfe, Mystic, Conn.; Frank Wolfe, Clarendon; John B. Wolfe, Warren; and Mrs. Alice Crane, Duke Center.

Private services in her memory will be held on Saturday afternoon at the Peterson Funeral Home. Interment will be made in Oakland cemetery. Friends will be received at the funeral home at the usual hours.

Truman Says Strikes Delay Terminating War Emergency

Washington, Dec. 12.—(P)—If it hadn't been for strikes, President Truman said today, it would have been possible to end the war emergency before now.

The chief executive made the statement without elaboration, during questioning by a newsman, in which he announced that he was sending messages to the new Republican-controlled congress.

The subject was brought up by a reporter who asked when the president might recommend termination of the war emergency. He declined to speculate, but observed that it could have been done before this if strikes had not interrupted reconversion.

Many of the executive powers now held by the president will cease when the conclusion of the war emergency.

The chief executive gave only a bare outline of his forthcoming messages to congress and declined to talk about the outlook for any reduction in taxes. Some Republican leaders have advocated a tax cut, while Democratic legislative chiefs have insisted that the public debt should be paid first.

Told that the Republicans in congress were saying they would not cooperate if he makes "radical" recommendations, Mr. Truman asked, who can say what is radical?

He refused to be drawn into a discussion of the administration's future policy toward John L. Lewis, chief of the United Mine Workers, against whom the government is waging a court fight.

Mr. Truman told questioners the (Turn to Page Seventeen)

Bellefonte Trial Goes to Jury Today

Bellefonte, Dec. 12.—(P)—The murder case against John E. Galloway, 23-year old Penn State student, in the pistol death of his wife went to the jury of ten men and two women today in Centre county court.

Judge Ivan Walker instructed the jury at Galloway's trial to return one of three possible verdicts: first degree murder, second degree murder or acquittal, if ruled out a verdict of manslaughter.

District Attorney Edward L. Willard, in summing up the testimony, asked the jury to return a verdict of first degree murder against Galloway for the death of his 20-year old bride of a month. Mrs. Catherine Diamond Galloway in their trailer camp home last Oct. 26. He did not mention the death penalty.

For the defense, Musser W. Gettler, asked for acquittal, arguing that the young woman's death was caused by accidental discharge of Galloway's pistol.

KILLED IN PLAN CRASH

Lancaster, Dec. 12.—(P)—An airplane crash in a field 17 miles southeast of here brought death yesterday to Robert W. Graham, 28, of Kennett Square, Chester county, who had rented the plane at Lancaster for a flight over his home, Raymond Berk, a friend of Graham, flew to the scene from here and identified the badly mangled body, state police reported.

STEELMAN TO BE ASSISTANT TO PRESIDENT

War Mobilization and Reconversion Office Is Abolished In Sweeping Executive Order

RENT CONTROLS STICK

Washington, Dec. 12.—(P)—President Truman today revamped the entire war emergency set-up. He abolished the War Mobilization and Reconversion Office and named John R. Steelman as assistant to the president.

The president made public his news conference an executive order under which he named Maj. Gen. Philip E. Fleming as head of the two offices of temporary controls, which will carry on remaining functions of OPA, QWRA, the Civilian Production Administration, and the Office of Economic Stabilization.

Stelman, the new assistant to the president, has been reconversion director and economic stabilizer.

Mr. Truman at the same time named Raymond M. Foley, as housing administrator and Frank R. Creighton as housing expediter.

By Wilson W. Wyatt after a controversy with the RFC over loans for prefabricated housing.

In an executive order the president abolished the Wage Stabilization Board as of February 24, and the Economic Stabilization Board immediately.

The chief executive made it clear that he has no intention of abandoning rent controls.

In response to reporters' questions as to whether an immediate increase in rent ceilings was in prospect, Mr. Truman said that he had no plans to order such an increase.

He added, however, that there was a possibility that some increases might be under consideration by OPA.

The president said that he is having an over-all conference on the housing program at 3 p. m. today, when the future course of the housing program, including that for veterans, will be gone into in detail.

The president said that Steelman's duties as assistant to the president will be virtually the same as those he has had as reconversion director when economic questions arise.

The executive order calls for continued sugar rationing, rent control and rice controls.

The new reconversion agency will:

1. Administer rent control, sugar rationing and price ceilings on sugar, rice and syrup, as successor to OPA.

2. Manage priorities, allocations and inventory controls, now duties of CPA.

Dynamite Load Is Exploded In Fire

Somerset, Dec. 12.—(P)—Residents of Somerset were startled but no one was hurt when a three-quarter ton truck, loaded with dynamite and detonating caps, exploded last night during a fire in an abandoned railroad station in the north end of town.

The building, once the Somerset station of the Pittsburgh and Westmoreland and Somerset Railroad, had been used recently to house trucks used in a nearby mining operation.

A group of workmen saw the building afire, fled to safety and notified firemen.

Before the firemen arrived, the truck load of dynamite let go, shattering windows in a nearby service station and shaking building in a tourist camp a quarter mile away.

The building was badly damaged, one truck destroyed, and another partially wrecked. Cause of the fire was not determined.

Governor-Elect Says State Is Facing Large Boost in Taxes

Harrisburg, Dec. 12.—(P)—ed he made his pronouncement on taxmen now to ward off the demands of pressure groups.

Duff explained he meant by that the demands for education, hospitals, state employees and others will be considered in relation to the prospective revenues of the commonwealth for the next biennium and met accordingly.

Noting that returns from existing taxes will not match estimates "due to strikes and the general dislocation of business" following the war, Duff stated:

"The public must begin to realize that if all these things are done that public demand now indicates should be done, they can only be done by a large increase in taxes, and those taxes must affect all the public and not any particular small part of the public."

M. E. ANDERSON AGENCY

E. H. Trehan—Agents—Roger L. Hendrickson
217-219 Hickory St. Phone 2493Woodland Poet Is Presented
By Talk-of-the-Month Club

Dr. Lew Sarett, the "Woodman Poet", delighted and deeply impressed a large, appreciative Warren audience last night, when he appeared here as the second program feature of this season's Talk-of-the-Month-Club series. His address—which well might be described as "a thing of beauty and a joy forever"—was given in Founders Hall of the First Methodist church to a group of approximately 400 people.

The noted literary figure was introduced to his Warren audience by Miss Cecelia Burch, representing the Association of College Women, which organization, as one of the Talk-of-the-Month-Club sponsors, had charge of this the second of the current series of events. The other three sponsors are the Men's Bible Class of the First Methodist church, the Y. W. C. A. and the Y. M. C. A.

Dr. Sarett's message was an expression of his philosophy of life, dramatically and beautifully presented in a way which cannot be described in cold type. Only those who heard him can appreciate the privilege of Warren's having him here and they will not soon forget him or his message. He stressed the fact that people overlook a lot of beauty as they go through life and therefore miss a great deal of fun.

He scored the realists of literature and art for making too much of the ugliness and unpleasantness of life. By his splendid way of speaking the English language, by the reading of several of his poems, and by characterizing certain people he has known, French Canadians in particular, Dr. Sarett pictured what he called "prose facts of beauty and significance".

In the closing moments of his address, Dr. Sarett dealt most impressively with the world of ideas

and beauty—the "country of the mind"—a world that "will never let you down." He spoke of nature, books, paintings, and good music as "roads to the country of the mind." His references to life in the pine forests were poetic gems by one who has lived them. After speaking of some of the negations in life, he delivered the spiritual core of his message, in telling of the "last affirmation" as expressed in his poem "Wind in the Pine".

To several hundred Warren people life must be more significant and beautiful today because Lew Sarett came here with his thrilling, stirring message. The next program of The-Talk-of-the-Month-Club will feature the great musician-humorist Edwin M. Steckel with his musically illustrated talk "Must Musicals Be Funny", scheduled for Tuesday, February 4th.

Tree Display
At Penelec
Interesting

One of the display windows at Penelec office has a very attractive display of evergreens. There are 15 varieties displayed. All of the varieties, with few exceptions are in use in various parts of the United States as Christmas trees or as Christmas decorations. All of them were grown from transplants and seedlings at the Yule Tree Farm at Akeley.

One of the interesting specimens is the Douglas fir, which Yule Tree Farm has been experimenting with in various parts of Pennsylvania for 12 years. It is one of the most beautiful trees used for Christmas but is comparatively unavailable because of its exacting requirements for proper development. It is a native of the West Coast area, most eastern climates are not suitable for it. Some success with its development has been obtained in the highest points of Warren County, north of Scandia where the Yule Tree Farm has over 350 acres of land, part of which is now in plantation.

One of the large trees is lighted with new Sylvania candelabra fluorescent Christmas tree sets.

Mr. John H. Stewart of Yule Tree Farm is a member of the Pennsylvania Christmas Tree Growers Association. Mr. Stewart is also a director of this association, the annual meeting of which is held at the time of the Pennsylvania Farm Show at Harrisburg in January.

ALL IN READINESS
FOR THE JUNIOR PLAY

Yesterday's matinee performance of the Junior class play, "Young Adventure" was very well received by an enthusiastic audience. The curtain will rise again tonight at 8:15 o'clock for another presentation of the production. A few seats are still available for those who have not already secured reservations. It is announced at the school.

ADDITIONAL TRAINS

Extra trains for express and mail will be added by the Pennsylvania Railroad Company to its Philadelphia-Erie run, effective tomorrow morning.

SCOUTERS' SESSION

A Scouters round table will be held at the YMCA at 7:30 this evening, when Carl Hull, of Warren Public Library, will speak on "The Boys' Reading Program."

BEAUTIFUL WINDOWS

Elizabeth VanLuvance, art instructor in third, fourth, fifth and sixth grades at Lacy school, has worked out some beautiful window panels with her young students, embodying the seasonal motif.

LODGE MEETING

Members of Odin Lodge, S. F. of A., will have a tureen supper at six o'clock Friday evening, followed by the regular meeting at eight o'clock. Plans will be discussed at that time for a Christmas party.

BIG STORM RECALLED

The balmy weather of the past few days is quite a contrast to the fall of 1944-45 when this district was completely paralyzed by a heavy snow storm that blocked transportation and highways. The record snowfall began two years ago yesterday afternoon and continued into the night.

ROA MEETING

Warren County Chapter, Reserve Officers Association, will hold its monthly meeting at 8 p. m. Monday at the American Legion Home. All reserve officers, of both ground and aid forces, are invited to be present. Col. Carl R. Black, secretary-treasurer of Erie County Chapter, ROA, will be present with much information and advice for all reserve officers.

K. OF C. MEETS TONIGHT

The semi-monthly meeting of Warren Council, 964, Knights of Columbus, scheduled for tonight, is to be a busy one. Besides the regular routine business, a large class of candidates will be initiated in the first degree, following which will be a social session and refreshments. The organization is planning on an expedition of the third degree in the near future and the class will be one of the largest ever for Warren.

REAL ESTATE DEALS

Redding and McIntyre, local real estate firm, has purchased two double brick dwellings at 10-12 and 14-16 West Wayne street, one double brick dwelling at 114-116 Palm avenue, and one single brick home at 110 Palm avenue, from the Elizabeth Smith Estate. The purchase price was not disclosed. They plan to make some improvements and eventually put the properties up for sale in individual lots.

REAL INDIANS

Arizona contains more full-blooded Indians than any other state, although its Indian population of 50,000 is second to that of Oklahoma.

It's a Record Christmas In Music Recorders Is Report

By W. G. ROGERS
Associated Press Arts Reporter

With winter here and slush in the streets, and armchair and slippers a lot more comfortable than glad rags, many of your friends would rather listen to music at home than in the concert hall, and you can win the heartiest thanks by giving records.

The two major companies, Victor and Columbia, are turning them out faster than ever; in just a couple of months they issue enough albums and single disks of worthwhile music to stay-at-homes every evening in the week.

Victor heralded the November opening of the Metropolitan Opera House with numerous operatic recordings; "Russian Operatic Arias" by Kipnis; "A Treasury of Grand Opera" conducted by Toscanini, Breisach, Leinsdorf and Weissmann and sung by Milanov, Swarthout, Albanese, Warren, Melton and Pearce and numerous singles by Thebom and other stars.

In December there were more liberal portions of glamorous opera. Most welcome of all, perhaps, and certainly least expected, were singles of de luxe reprints of masters 25 to 35 years old of the voices of Tetrassini, Alda and Caruso. You may also be interested in "Carmen" excerpts, on six large records, starring Glody's Swarthout and including Albanese, Merrill and Viny; Leinsdorf conducts the RCA Victor Choral and orchestra, with Robert Shaw as choral director. There is also an album of highlights from "Madame Butterfly," with Albanese, Browning, Melton, the Victor Orchestra conducted by Weissmann.

Columbia's latest lists include Hans Sachs' two monologues from "Die Meistersinger," by Janssen and the Metropolitan Opera conducted by Breisach. More songs, if not operatic, are albums of Strauss music sung by Lehmann and from Victor, "American Songs" by Traubel.

A Columbia album which offers a private hearing of the year's biggest pianistic find is "Piano Music of Chopin," by Maria Jona. Among other instrumental pieces, all from Columbia are the Mozart Concerto in E-flat for Two Pianos and Orchestra, played by pianists Vronsky and Babin with Mitropoulos conducting the Robinson-Dell orchestra; Milhaud's Suite Française, Milhaud conducting the New York Philharmonic.

If you want to splurge, you can give a subscription to Concert Hall Society's first American recordings, or to the recently organized Album of the Month Club.

WASHINGTON — At the fifth Pan American Conference, in 1923 in Chile, some members of the American National Woman's Party beleaguered delegates to start listening to the desires and hopes of the women of their countries.

In 1928, at the sixth conference, held in Havana, only seven women were nominated as spokesmen for their republics. But in Lima, Peru, in 1938 the Inter-American Commission of Women was established.

They were to work for women's rights and asked to submit reports at the ensuing conferences.

In Washington 19 of the 21 republics are represented at the current assembly of the Inter-American Commission of Women. They are readying a document which is aimed to ask many things for their betterment, politically and socially. They expect to draft a report to submit to the U. N.

The Commission has already accomplished much in obtaining the right for women to vote and the right to maintain their own nationality after marriage.

AMONG the prominent women attending the current assembly of the Inter-American Commission of Women here is Senora Ofelia Benvenuto of Uruguay, lecturer, writer, and professor in humanities and sciences at the University of Montevideo. She won highest awards from her government and an American publishing house for her book "Jose Marti."

Senora Isabel Sanchez de Urdaneta, wife of the commercial counselor of the Venezuelan Embassy here, has just been named a member of the women's committee of the U. N. She is an outstanding educator and founder of kindergartens in her country.

Other delegates include Miss Leontina Cardoso, a great feminist and journalist, former counsel of the Brazilian Embassy at Rome, and Dr. Ofelia Barret of Honduras, who worked for UNRRA in Europe during the war.

Argentina has sent Mrs. Esther Luzuriaga de Desmaras, teacher and writer. She has presented 52 projects to her country's council of education, among which the manual labor school is a fine example.

BIGGEST SHOPPING SPREE

There has never been anything like it. This Christmas shopping season is so big that all previous splurges now seem like Dollar Day in Economy, Mo.

It began the day after Thanksgiving. Cleveland on that sunny Friday, for example, had the biggest day's business in her history.

It kept right on through the coal strike, when the nation's industrial plant just about closed shop and most people were gravely worried about the economy of the nation and their own financial prospects. They kept right on buying for Christmas, price no object.

Pittsburgh, with many of the city's steel workers and almost all of the surrounding country's coal miners off the payroll reported dollar volume up 25 per cent over war years with sales expected to exceed last year's \$25 million.

In New York City the combination of the coal strike and railroad embargo failed to hinder the buying. Department store sales the final week of the strike were up 30 per cent over the comparable week of 1945. The picture generally was the same across the country in large places and small.

Now, with more people working than striking, we may reasonably expect, come Jan. 1, 1947, that the broken arches and busted pocketbooks if laid alternately end to end would reach from Kennebunkport to San Diego and over the hill to the poorhouse.

What does it all mean, aside from the one sure fact that we are to witness the biggest—if not the best—Christmas yet?

Well, the experts who say we are certainly headed for a depression before long will testify that this record spending only hastens the day of reckoning. The others will say that the spending itself reaffirms the fact that almost everyone has money and will increase the chances for a long and prosperous life for the good times now prevailing.

One thing, however, is certain: a lot of people are going to spend more than they can afford. More than half of our families have less than \$2000 a year. That will buy few combination radio-television sets, and hardly fill the bean pot and clothe the kids.

So, too many families are sure to wake up some post-Christmas morn to the awful fact that there ain't no Santa Claus. In the meantime, do your Christmas shopping early and a conservatively merry Christmas to each and every one of us.

MACKENZIE'S Column

By DEWITT MACKENZIE

AF Foreign Affairs Analyst

Romance is so obscured in these days of strife that the love affair reported to be developing rapidly between England's charming Princess Elizabeth and handsome young Prince Philip of Greece is like a burst of sunshine through storm-clouds.

Admittedly there are international questions of far greater importance than whether Elizabeth and Philip love each other. Still, it's worthy of note that romance is one of the fine things of life which our very mischievous world hasn't been able to settle.

There has been no announcement of an engagement. On the contrary, Buckingham Palace stands pat on the announcement of last September that "Princess Elizabeth is not engaged." However, the palace hasn't said she wouldn't become engaged or wasn't in love, and moreover there has been a "mysteriously" inspired flood of favorable publicity for the prince running in the British press the past few days. Also, it is said that Philip has applied for British naturalization, which would be a requisite to marriage with the heiress to the world's greatest throne.

The way European royal families intermarry it isn't surprising to learn that Prince Philip is third cousin to Princess Elizabeth. He is a nephew of the distinguished

Admiral Lord Mountbatten and has been in the British navy since he was nineteen (he is now twenty-five). He and the twenty-year-old princess have been seeing much of each other and have appeared in public together, and England is prepared to hear in due course that he is to marry the princess and thus become prince consort.

A prince consort's chief distinction is that he is husband of the queen. She is the sovereign and he has no privileges of monarchy, before their marriage the British The last prince consort of England was Prince Albert, husband of the famous Queen Victoria. Just next to the queen, but he had no government gave him precedence distinctive title and such privileges as he received were purely by courtesy.

However, while the prince consort has no privileges of monarchy, he does have a full-time, tough position to fill in service of the state. He and the queen must forever be attending public functions—conferring decorations, making speeches and what not.

The United States imported 40,000,000 bunches of bananas in 1945, 28 per cent more than in 1944.

From where I sit ... by Joe Marsh

A Grand American Tradition

The Cuppers had a grand old family reunion last week—for the first time since the war.

Big and little Cuppers came, by car and train, from as far west as Nebraska and as far east as Vermont. They crowded Dee and Jane's house, set up quarters in the barns, or stopped with neighbors—and a jollier gathering you couldn't have imagined!

I was asked to their final Saturday night supper, when they sang old songs, drank beer and cider, reminisced. Dark Cuppers and blonde ones—Vermont accents and Alabama drawls—doctors and farmers... all with their differences of taste and politics, yet as close and harmonious in spirit as a group could be.

From where I sit, it's a great American tradition—not just family reunions, but the ability to get along as one harmonious family, regardless of differences of taste—whether it's taste for politics or farming, beer or cider.

Joe Marsh

GIFTS FOR CHILDREN

Suggestions for gifts for children are offered in Farm Journal by Marion L. Faeger, consultant in parent education, U. S. Children's Bureau. She asks:

Uncertain what to give a child you haven't seen for some time? Here are toys suitable for development at various ages:

Up to three: Push-and-pull toys that will stand hard treatment; wooden educational toys that have parts which fit together; sand-box toys; small chair.

Three to Six: Toys for imaginative play—dolls and housekeeping toys, little trains, boats, and autos; blocks, big ones; picture books (Lanski, Petersham, Potter, Ethel Wright, Margaret Brown are names you can't go wrong on); wagons; tricycles; crayons.

Six to ten: Good tools, sports things (skis, sleds, skates, badminton sets); sweaters, mittens, gloves; table games; small radios.

About Ten: Magazine subscriptions, memberships in clubs; books; pen and pencil sets; records; money for individual hobbies.

Something that's been missing a long time is back: stout cloth books for baby. They're beautifully printed in bright clear colors—colors that can be chewed without risk of harm, washed without risk of fading.

And here's another jolt—Internal Revenue Collector Stanley Granger at Pittsburgh, who is Uncle Sam's representative in this area, announces that approximately 600,000 income tax returns, Form 1040, if you have forgotten, will be placed in the mails today. Every taxpayer, he says, who filed a return for the year 1945, will be given this holiday reminder of headaches to come after the Christmas shopping and exchanging have been completed.

Pennsylvania Has Plentiful Supply Of Christmas Trees

Harrisburg—(AP)—An indication pointed today to a plentiful supply of Christmas trees for the coming Yuletide season in Pennsylvania.

Officials of both the state agriculture department and the Pennsylvania State College predicted today that nearly a million trees will be cut in Pennsylvania, principally for local consumption. Another million will be imported from New England and Canada.

"The supply for this year's crop seems as good and maybe better than last year," said F. T. Murphy, professor of forestry extension at State College in pointing out that the Keystone State's production of nursery-grown Christmas trees leads the nation.

From a small beginning 16 years ago, Christmas tree growing on farms in Pennsylvania has developed into a full-fledged industry, producing annually for the market close to a million trees.

Six to 10 years is required before the trees are marketable and returns from the farmer's investment can be realized. "Very often," Murphy said, "trees that are almost ready for the market are destroyed by fire, insects, disease or possibly ants or mice working in the soil."

One of the serious problems confronting the Christmas tree farmer is that of coloration. Trees sometimes turn yellow just before they are to be harvested and that deprives the owner of realizing any return from the trees.

"But in spite of these risks, Christmas tree farmers in Pennsylvania have established for themselves a million dollar business," Murphy added.

Meanwhile, M. C. Stewart, of Homer City, president of the Pennsylvania Christmas Tree Growers Association, called upon growers to make trees available to the public "at reasonable prices."

"Bad merchandising practices, especially in the form of price gouging, restricts the volume of consumption," he declared.

Explaining that Pennsylvania-grown trees are superior to those from New England and Canada because the latter are cut a month or two before Christmas and become dried out in transit, Stewart asserted:

"Dealers are finding it increasingly difficult to sell the trees shipped in from the north and west when good pines, spruces and firs grown in Pennsylvania are available."

SECOND HAND HIGH BEATS 6-SPADE BID

BY WILLIAM E. MCKENNEY
America's Card Authority

Written for NEA Service

A player who always plays second hand low, or always covers an honor with an honor, would have lost dealer make his contract on today's hand. North and South used the Blackwood convention to arrive at a rather ambitious slam bid. But declarer came within an eyelash of making the slam, being beaten only by a fine defensive play.

South took the opening lead with the ace of hearts and led the jack of clubs, which rode to the queen. Another heart came back, knocking out the king and baring the heart loser.

South cashed the king of trumps and followed with a small trump to the ace. He now had to guess whether to play for the ace or the ten of clubs to fall in three leads. He guessed right, and so led the king from dummy—East being marked for the ace. The ace went up and South trumped.

He pulled the last trump, and then had to decide whether to play his queen of diamonds and hope that West would cover, or play a

small diamond and finesse the ten. If he played the queen and West covered with the king, he could make his contract by ruffing another club and establishing the nine of clubs for discarding the five of hearts.

However, South decided he might have a better chance by playing the deuce of diamonds in the hope that West would play second hand low. But West wisely ignored the rule and went up with the king, thus blocking off the diamond suit.

Bridge is not a game of "always" and "never." It is well to know all the bidding and playing conventions, but it is well also to know when to break these rules.

In pioneer logging days, most logs were driven to the sawmill by floating them down rivers and streams, according to Pennsylvania Department of Forests and Waters records.

The word "lumber" seems to have originated in Boston, the records of the Department of Forests and Waters show. Reference is made, in records of 1663, to "lumber and other goods." So far as is known, this is the earliest official use of the word. The English, in referring to logs, timber and boards, which littered up the harbor front, used the term "lumbered up." Colonists began to refer to such timber simply as lumber.

Cornell university had a student from Shantung, China, named Mr. I. His first name was Fu and his middle name Te.

Platter Chatter

One of the easiest solutions to the loot problem for the haps on your shopping list is a new record, or several new records. There are lots of the old Christmas traditionalists to be found around, as well as some new ones the kids will love. Here are some suggestions for a Yule platter roundup: The Goodman Sextette Session; Cugat's Favorite Rhumbas; Frankie Carle album of keyboard jazz; Eddie Duchin's "Cole Porter Album" or "Blues by Basie." In the masterwork sets are Prokofiev's "Peter and the Wolf"; "Dickens' Christmas Carol", with Basil Rathbone as Scrooge; "Stevenson's Treasure Island"; Gershwin's "Porgy and Bess." Among the popular albums: Harry James and the Boogie Woogie Trio; "Jingle Bells" by the Madrigal Singers; Nelson Eddy's "Adeste Fideles" and "Silent Night"; Frank Sinatra's "White Christmas." Selections for the small fry include "Peter Rabbit", "Nursery Songs", "The Little Red Hen", "The Shoemaker and the Elves", "Let's Pretend", "Jack and the Beanstalk", "Cinderella", "Puss in Boots", "The Night Before Christmas" and "Little Jesus." "Songs For Little Folks" and "Tales of Ancient Heroes" (five stories from the Bible narrated by Lew Ayres) are special Christmas offerings. A Perry Como album takes in "That Christmas Feeling", "I'll be Home For Christmas", "O, Come All Ye Faithful" and others. Russ Case does something different with "Night and Day" and "Begin the Beguine", and Vaughn Monroe and his orchestra provide a solid sax with "Aren't You Kind of Glad We Did?" and "Changing My Tune." Spike Jones has made "Minka" and Charlie Spivak offers "It's All Over Now." Bing Crosby, that old holiday favorite, is back on the reissue of his "Merry Christmas" Album, and another jackpot includes Deanna Durbin's "Silent Night" and "Adeste Fideles"; Judy Garland's "The Birthday of a King" and "Star of the East"; Kenny Baker's "O, Little Town of Bethlehem" and other carols.

Jordan-Peterson Rites Announced

Mrs. Ingeborg Peterson, 321 Park street, announces the marriage of her daughter, Verna Mae, to Robert Jordan, son of Mr. and Mrs. Clarence Jordan, of Youngsville.

The marriage took place November 27 at the parsonage of the Epworth Methodist church and was performed by the Rev. O. L. Wingar. Mary Lou Blair was the bride's only attendant and Richard Peterson was best man.

Following the ceremony, a luncheon was served for relatives and members of the bridal party at the home of the bride. The table was centered with a lovely two tier wedding cake.

After a wedding trip through the western states, the newlyweds are making their home in Youngsville.

HOME ECONOMICS

Bear Lake-Lottsville
A home economics group was organized in the Bear Lake-Lottsville vicinity at a meeting at the home of Mrs. Arnell Carter. Miss Mollie Pickering, home economics extension representative, discussed with the women the subjects they would like to take up this winter. Interest seemed to center on slip-covers and furniture work. On January 2, retying of springs in cushions and chair seats will be the project. The following meeting will be spent in making slip covers. The next meeting of the group will be on December 19 at the home of Mrs. Emory Jordan, Lottsville. Christmas decorations and gift wrappings will be the subject, and everyone attending is asked to bring some Christmas decoration which she has made.

Week's Schedule
The home economics meetings to be held during the week of December 16 will be devoted to

Christmas decorations. Those attending each meeting are asked to bring with them some piece of decoration which they have made, and Miss Mollie Pickering, home economics extension representative, will have some new ideas for holiday festoons. The following meetings are scheduled:
Corydon—Monday, December 16, at the home of Mrs. Lewis Leam.
Garland—Tuesday, December 17, at the home of Mrs. Charles Briggs.
Columbus—Wednesday, Dec. 18, at the home of Mrs. Nathan Todd.
Bear Lake - Lottsville—Thursday, December 19, at the home of Mrs. Emory Jordan, Lottsville.
All meetings begin at 1:30 p. m.

Much Business Before Community PTA Council At Its December Gathering

The December meeting of the Community PTA Council was held Tuesday afternoon in the YWCA activities building, with Mrs. F. J. Kotmair presiding.

Announcement was made that the Christmas parties sponsored by the council will be as follows: December 21, 8 'til 11, freshman and young people up to 20 years old; December 23, 2 'til 4, all grade school pupils; December 23, 8 'til 11, Beaty pupils.

A ways and means committee was appointed by the president, consisting of Mrs. F. H. Hetrick, Mrs. S. E. Saylor and Mrs. August Bova, to meet regularly with the young people's recreation committee.

A report was made by Mrs. Albert Ristau regarding the first Christmas Tree Major play, "Nobody's Girl." There were 710 season tickets sold and only 57 single admissions sold. Mrs. Ristau urged all units to stress the importance of sale of single admission tickets to next play, "Snow White and the Seven Dwarfs," scheduled to appear March 29 in order that expenses may be assured.

Announcement was made of the district meeting to be held in form of a luncheon at Oil City on Jan. 21, 1947. Johnson and Lacy units were presented with their charters, completing the proper registration of all units in Warren.

Mrs. Kenneth Fowler presented the highlights of the district meeting held at Farrell in October.

Mrs. Mathyer was appointed to complete plans with the county council to have a joint meeting in February to observe Founders' Day, the 50th anniversary of PTA. It is planned to have Dr. Manwill-

Catholic Women Enjoy Christmas Program and Party

The Catholic Daughters of America, Court No. 834, held its annual Christmas party last night at eight o'clock in the K. of C. rooms, with 100 in attendance.

The clubrooms were beautifully decorated with red bells and sprays of evergreen tied with red ribbons. Tables were gaily appointed with red candles and holly, with small individual bells as place cards.

The choir, under the direction of Mrs. Paul McGarry and accompanied by Mrs. R. Thompson, opened the program by singing "Adeste Fideles" and putting everyone into the Christmas spirit.

Mrs. Albert Schwartz read a wonderful story of the wondrous night in Bethlehem, long, long ago, entitled "The Little Servant Girl." A humorous monologue of "The Day After Christmas" was given by Mrs. Ray Slate. Miss Isabel Corbran told the story of how the Christmas carol, "Silent Night," originated. "The Nativity" was beautifully portrayed by Miss Stella Cerra, Mrs. Frank Gerardi, Mrs.

Christmas Program Of Philomel Club Is Very Pleasing

Philomel Club members were treated to a beautiful Christmas program Wednesday afternoon at the Woman's Club, under the direction of Barbara DeFrees.

A chorus of eight women in choir vestments, seated about a table with a Christmas tree, and candlelighting, made an Old English scene that will be long remembered.

A chorus numbers, "A Song of Bethlehem" by Lura Love and "Madonna" by Charles Haubel showed a fine blending of voices. English and French carols by the choristers and solos by Beulah Krebs and Violet Borg followed, the program concluding with the entire assemblage joining in familiar carol airs.

At the table, Marjorie Briggs and her committee carried out the Christmas motif with white mums, ground pine with red ribbons and candles, Eva Blackman and Mae Hunter presiding.

After school, the Junior Philomel and Little Back Society members held their Christmas program at the clubhouse.

The next regular meeting of the senior group will be held January 15, with music of Norway, Denmark, Finland and Poland, arranged by Chairman Eleanor Swanson.

SHEFFIELD NEWS

Sheffield, Dec. 10 — Profusely and artistically decorated in the season's colors of red and green motif the American Legion home, Monday evening was the scene of the annual Christmas dinner and meeting of the Auxiliary.

There were over sixty guests present for the event, which began with the dinner served by candlelight at seven o'clock. The invocation was given by Mrs. John E. Swanson. The season's greetings was extended by the president, Mrs. John Burns, followed by Carol singing.

The regular routine of business was conducted. The Auxiliary has given fifty dollars for gifts to be used for the hospitalized veterans at Christmas, ten dollars to the Deshon hospital to purchase records, twenty-five dollars to the Christmas welfare, and the home town boys on the sick list will be remembered. The organization will sell a grapefruit paper and vegetable sheet, if you are interested contact a member.

Those in charge of the dinner were: Mrs. P. J. Finerty, Miss Eva Brown, Mrs. John Dulan, Mrs. Girdon McKillip, Mrs. James Farley, Mrs. W. E. McCaskey, Mrs. John Burns, Miss Edna Brown, and Mrs. R. A. Trzonski. The exchange of gifts took place and every one enjoyed the evening.

PRAYER DAY SERVICE

The annual Prayer Day Service sponsored by the W. M. S., Y. W. M. S. and J. M. S. of the Bethany Lutheran church was held Sunday, December 8 at 7:30 p. m.

The following program was given:

Hymn—"Now Thank We All Our God".
Scripture reading—Miss Helen Burgeson.
Prayer—Mrs. John Blodgett.
Anthem—"The Lord's Prayer"—The Junior Choir.
Explanation of Prayer Day—Miss Bertha C. Nelson.
Vocal Duet—"Face to Face"—Miss Evelyn Norlin, and Clair Dahlstrom.
Hymn—"Blessed Jesus, at Thy Word".
Meditation—"Let Us Pray"—Rev. Hans Pearson.
Offering—Mrs. Norman Henry.
Prayer Session—"A Litany"—personal statement—Mrs. R. C. Cederlof.
"For Our Missionaries"—Mrs. Herbert Gustafson.
"For Foreign Missions"—Miss Bertha C. Nelson.
"For the Brotherhood of All Men"—Mrs. William Dalton.
"For World Peace"—Mrs. Hans Pearson.
"For All"—Miss Rose Nelson.
Vocal Selection—"I Have A Saviour, He's Pleading in Glory"—Grace and Gloria Pearson, Edith Carlson, Eunice Burlingame.
Hymn—"May the Grace of Christ Our Saviour".
Benediction—Rev. Hans Pearson.
Postlude—Mrs. Norman Henry.

MOTHERS' CLUB

The Lincoln School Mothers Club will not meet this month. The parents are invited to visit the school and see the trees and decorations. The windows of the office of the school have been decorated by the following pupils: Frances Thomas, grade 5; Billy Kleinhauer, Joe Sabat and Gerald Reichard of the eighth grade, under the direction of their art teacher, Mrs. Paul Johnson.

HOSPITALIZED

Miss Genevieve Boardman was operated on for appendectomy at the Warren General Hospital on Monday.

PERSONALS

Mr. and Mrs. Leonard Staff, of Orchard Park, N. Y., were Sunday guests of Miss Theresa Johnson and Mrs. Blenda Hunkley.

George Stenstrom, of Buffalo, N. Y., spent Sunday at the home of his mother, Mrs. Aaron Magnuson.

Mr. and Mrs. Thomas Chido are spending the week in New York City.

Mr. and Mrs. Clarence Wierick, of Morristown, N. J., are spending an extended visit with the former's parents, Mr. and Mrs. S. C. Wierick.

Santa Looks Over Morning's Mail, High Above Yesterday

"Well, well," said St. Nick as he eyed the fruitful morning mail. "Not bad, but I've seen better days—days when people realized what it is to go without joy and happiness on Christmas, and gave heartily from the bottom of their hearts. It is the people who cannot give much, but step in the office anyway to give a half dollar or a dollar, or whatever they can afford, that makes me glow inside. At times, even an overflowing tear-drop descends when generous checks come in to aid the needy."

The glint in Santa's eye came when he unearthed from the morning mail two checks, both highly appreciated \$5.00 ones from P. N. Gilson and H. K. Dorrance. Although this did not exceed the amount that came in yesterday morning, it was quite an improvement over the \$1 that was received yesterday afternoon.

Santa, who has a memory of an elephant, but who is not nearly as ponderous, noted the names of the contributors with care for old Kris Kringle never forgets a good deed.

Santa, due to the heavy rain this morning and the wet feet received from plowing through it in an endeavor to hasten the time when he opens his mail at 9:00 a. m., is not able to do any outside soliciting today, but will be on duty all day to receive donations in his office. Although the money is coming in slow but sure, Santa will close today with this plea:

"I know Warren folks have the stuff—the spot in their hearts—that is—to give to the needy kids and the other little fellows they know them or not, so I am hoping you will make my mornings brighter with stacks of donations to offset the stacks of letters from the ill-fortuned on the other side of my desk."

Doors Will Open At Three Sunday For Presentation

Music lovers planning to attend the First Methodist presentation of "The Messiah" on Sunday afternoon will welcome the announcement that doors of the church will be open to the public at 3 p. m. This will eliminate the long and tedious wait for those who come early to obtain the choice seats.

The oratorio is to be presented by the augmented First Methodist choir, which is composed of the regular choir plus many of the finest voices in Warren representing several local church choirs.

All solo parts will be sung by New York City guest artists, Evan Evans, baritone; Edward Nyberg, tenor; Anne McKnight, soprano, and Alice Mack, contralto.

Evelyn Wolstencroft will be at the organ and the entire presentation will be under the direction of Byron Swanson, choirmaster.

The presentation service will begin at four o'clock. Prior to this, beginning at 3:30 o'clock, Dean Blair, chime master, will play favorite carols. At 3:45 p. m., with Miss Wolstencroft providing background music at the organ, the ceremony of "Lighting the Way" will start, with David Wiggins and Bruce Forsgren serving as acolytes.

There will be no admission charge for this highlight of the Christmas musical season, but a silver offering will be received. The public is invited.

IMPORTANT REHEARSAL

Members of the augmented First Methodist choir preparing for the presentation of "The Messiah" on Sunday afternoon are reminded of the rehearsal to be held at 8:30 this evening. Those who sing with other choirs in town are asked to join the group promptly following their own practice sessions.

THEIR REAL USE
Because of the spade-like formation of moose antlers, it is popular notion that the animals use them in clearing snow from their winter "moose-yards." The antlers are used only for fighting, and are dropped at the end of the fighting season.

Christmas and Santa Claus Post Offices Are Swamped

By Newfeature
Christmas, Fla.—Here in a land of sunny winter days—where most people have never seen snow upon a rooftop nor heard the jingle of a sleigh bell—"Mrs. Santa Claus" has been working overtime for weeks.

She is Mrs. Juanita Tucker, comely postmistress in this little community fringed by marshland, live oaks and towering palms.

People in all of the 48 states and in many foreign countries send Yule mail to her to be stamped with the "Christmas" postmark and remailed.

The Christmas, Fla., postoffice was set up June 27, 1892, just 57 years after the community was founded. Although there is a Christmas Cove in Maine, this is the only plan Christmas postoffice in the United States.

Each in 1885 a company of United States soldiers came down

to help the small group of apprehensive settlers battle the Seminole Indians. On Christmas day the fort, built of cabbage palm logs, was taken over by settlers and the name Fort Christmas came into being.

The settlers were of rugged stock, with Anglo-Saxon names like Tucker and Roberts and Barber whose descendants still dwell in this section.

"Mrs. Santa Claus" is glowingly proud of her work and her stamp. Despite the heavy rush, she sees that each piece of mail gets special attention. The official "Christmas, Fla.," postmark is stamped carefully so that it will not blur. A cachet reading "Good Will Toward Men" also is stamped on the envelope.

The postoffice is in a country store on Mrs. Tucker's property. There is no railroad and the town lies a half-mile off the main highway and 25 miles from Orlando.

Mail is dispatched by automobile. This season will be one of the busiest, if not the busiest, in history, Mrs. Tucker believes. By the time Christmas day rolls around she wouldn't she wouldn't be surprised if the outgo exceeded 150,000 pieces of mail.

"Although Christmas is just a little country village with no business center, I think it is the spirit of its people which makes it a place of beauty," the postmistress commented. "They are kind and simple folks who help each other in time of sickness or disaster. They are generous in sharing what they have with those in need."

Santa Claus, Ind.—Just turned 100, Santa Claus knuckled down to a giant-sized job of postmarking Christmas letters and packages today. Besides taking on a new brood borrowed from Mother Goose.

The wartime slump is over for this tiny southern Indiana hamlet, and most of the population has already gone to work or the mail mountains in the two-room postoffice and the toy shops that began bustling long before Thanksgiving.

Postmaster Oscar L. Phillips hopes to sandwich in enough time to get out his white-furred red suit, but he said the loads of mail coming in for Santa Claus postmarks is "far larger than ever before." Even before Thanksgiving, seven helpers were on the job handling thousands of letters youngsters impatient for the sound of reindeer hooves and whimsical givers. Those children's "Dear Santa" letters that have return addresses are answered by the American Legion post at Tell City, Ind.

Founded in 1846 as Santa Fe, the village slumbered without distinction until 1895, when the postoffice department asked for another name, to avoid confusion with another Santa Fe in Indiana. The postal rush has grown with the years and widening popularity, but only in recent years have toy makers capitalized on the unique name of the village.

Opened for the first time this year is a "Santa Claus Land" gift and toy shop opened by Louis J.

Under construction is a second miniature railroad, designed with a 59-foot train to haul loads of 30 children on a blitz tour of the "pyramids," the "Swiss Alps," the "Grand Canyon" and even across the "Atlantic Ocean."

Before the war, the Santa Claus mail volume reached half a million pieces in a one-room postoffice in Annie Martin's general store, and visitors came in throngs as big as 6,000 at the height of the yule season. Now, with the postoffice set up in its own two-room building and toy vendors reproducing the imagery of childhood, Postmaster Phillips foresees new life for Santa Claus during its second hundred years.

Marines Pay Honor To Late Chester Marsh

Corydon, Dec. 11.—Saturday evening last in Emery Hotel, Bradford, Pa., the late A. Chet Marsh, Detachment, Marine Corps League, was officially dedicated at its first annual banquet honoring a Corydon native, the late Chester Marsh, well known and remembered by localites.

Mayor Hugh J. Ryan, acted as toastmaster. He told the diners the post was named for A. Chet Marsh, veteran of World War One, who took part in several major campaigns. The late Mr. Marsh was a former resident of Bradford and Rew. Born in Corydon, in 1892, he attended school and business college in Warren, and went west in the lumbering business from where he enlisted in the U. S. Marines Corps in 1917. He was assigned to the 84th Company of the Sixth Regiment and saw some of the fiercest action in World War One.

Mr. Marsh was married in 1921, two years after his return from service and had three sons, Scott, who served in the Marine Corps in World War Two and is now senior vice commandant of the post which bears his father's name; Bruce, who served in the Navy and James who was born in 1931.

Scott and his mother attended the dinner and Mrs. Marsh spoke briefly expressing her gratitude to the men of the Marine Corps League for the honor bestowed in the memory of her husband. The late Chester Marsh, has a brother Crawford Marsh, residing here and a sister Miss Teresa Marsh, who maintains the Marsh family home in Corydon and holds the principalship in Kane High school.

Special Hours At Post Office For Holidays

In order to give patrons of the Warren Post Office every opportunity to mail their gift parcels and greeting cards in time to assure their delivery before Christmas, Postmaster James K. Bell announces the following schedule of business hours for the balance of the pre-holiday season:

Saturday, December 14: Stamp and Parcel windows will remain open until 6:00 p. m. Closed Sunday, December 15th.

Monday, December 16th and continuing through Thursday, December 19th, the stamp and parcel post windows will be open until 9:00 p. m.

Friday and Saturday, December 20 and 21st, all windows open until 6:00 p. m.

Monday and Tuesday, December 23rd and 24th, office will close at 6:00 p. m. Christmas Day, office will be closed all day.

Post office officials again warn the public to mail early, as mail is all ready congested due to the recent temporary embargo on train service. Cards and gifts for out of town must be dispatched at once if delivery is made before Christmas. Insure all parcels, the insurance fee only 3 cents up to a \$5 value.

POWERFUL PITCH
When the pitch is exactly right, the vibrations of a musical note can break a thin glass vessel. The higher notes of a violin pulsate at the rate of 1000 vibrations a second, and this instrument is most commonly used in such experiments.

LUDLOW

Ludlow, Dec. 9.—Moriah Lutheran held regular services on Sunday morning with the Rev. Hans Pearson delivering the sermon on the subject "Vigilant Christians". The choir anthem was "Hark, A Thrilling Voice Is Sounding". The Covenant Union held morning and evening services with the Rev. Earl Robbins of Kane giving the messages. Rev. Robbins also conducted a prayer service on Wednesday evening.

The Young Women's Missionary Society of Moriah church met on Thursday evening at the church with members giving a tureen supper. A short business meeting was conducted by the president, Mrs. John G. Johnson, with the most important detail being that of giving the entire amount of money in the treasury to several missionary projects. It was also decided to hold the membership drive open for two months. Christmas Carols followed a short program which was given by Miss Tillie Olson and Mrs. Johnson. Hostess for the evening was Miss Pauline Anderson.

The Moriah Ladies' Aid held its December meeting on Friday afternoon with Mrs. Bertal Carlson and Mrs. Frank Alling as hostesses. The meeting was in charge of the president, Mrs. Axel K. Anderson, with several short business discussions. A reading was given by Mrs. Alling and a piano solo of Christmas music by Mrs. Enoch Nelson followed by a brief talk on the Reformation by the Rev. Hans Pearson. The meeting closed with a hymn and benediction.

The Ludlow Study Group was entertained on Monday evening by Mrs. James Waite at her home with most of the members present. The president, Mrs. Melvin McCleary, conducted the business meeting at which book title selections were entered by the members for next year. The evening's program was in charge of Mrs. McCleary who presented an extremely interesting paper concerning Christmas customs. The hostess served coffee at the close of the meeting.

A Board of Review for troop 50 was held at Boy Scout Headquarters on Monday evening with Chairman of Review Board Evert Johnson, Homer Gilfert, and Enoch Nelson conducting the Review. Melvin McCleary, Jr., passed Life Saving and Civics, and James Christensen passed Farm Management.

Speaking at the Forum December meeting held at the Penn-Kane hotel on Tuesday evening of last week was Mr. James Waite, Hamilton Township Supervising principal. He and Mr. Christian Plot of Kane spoke on the subject "Can Federal Taxes Be Reduced?" In attendance from Ludlow at the dinner were the following: Messrs. James Waite, E. O. Nelson, Benjamin Connelly, Evert Johnson, Walter Cox, M. I. Jones, J. G. Johnson, Gustav Olson and Clyde Gilfert.

The Ludlow Ladies' Aid held their Christmas party on Wednesday evening with Mrs. R. E. Wenstran as hostess at her home. There was a large attendance. Christmas gifts were exchanged after which refreshments were served.

Mr. and Mrs. John G. Johnson entertained the Moriah choir at the church on Wednesday evening with twenty guests present.

The American Legion held its December meeting at the IOOF Hall on Thursday evening with Commander Eriand Olson conducting the meeting.

The Ludlow Community Park Board held their December meeting at Scout Headquarters on Friday evening. A short business meeting was conducted.

SCHOOL

The Ludlow High School will shortly be a mecca for nearby sightseers as it has been for several years at Christmas time when the windows are painted with Christmas scenes. The custom originated with Miss Amalia Wenstran, now deceased. Other teachers carried on the work. Mrs. Julius Swanson, local teacher and resident, has done this very beautiful work several times. This year she is carrying out her themes in a slightly different subject form using nationality figures relative to citizens of Ludlow.

Ludlow is among the very first of the Fourth Class Districts to finish the State required remical examinations. Dr. Maghee of Kane performed the medical exams and Dr. Sheehan of Kane made the dental examinations, both assisted by State nurses.

Miss Marjorie Smith, Directress of the Christmas High School play, reports that splendid progress is being made. Dickens Christmas Carol will be given at the High School auditorium on Wednesday, Dec. 16, at 7:30 p. m. A collection will be taken. Does records have been used during rehearsals. Miss Mary Catherine Maxwell will be in charge of music.

Basketball season opened with a loss to Wilcox and a win from Russell. The Russell game was most unusual in that both coaches had benched several players for infractions before the game. This

Without Painful Backache

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tied kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisons to remain in your blood, you suffer from nagging backache, rheumatism, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Or, if you are a woman, you may find that your periods are passing with smarting and burning pains. Sometimes there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

RECITAL

Mrs. Enoch Nelson presented her piano pupils in an informal recital at her home on Saturday evening with about forty-five pupils and parents present. The program opened with a poem, "The Christmas Legend", read by Shirley McKenzie. Miss Evelyn Norlin was guest vocalist for the evening and gave The Birth Of The King as her first number.

following pupils: Freddie Johnson, Katherine Kontes, Joyce Larson, Katherine Thornton, Hope Carlson, Darlene McKenzie, Shirley McKenzie, Margaret Schuster, Rose Schuster, Dickie Carlson, Lewis Jones, Beverly Carl, Joan Begeny, Sylvia Carlson, and Virgil Nelson. Betty Nystrom, Janice Carlson, and Carol Ann McLafferty were unable to be present. Hope and Sylvia Carlson each gave vocal numbers. The closing number was sung by Miss Norlin entitled "The Christ Child." After a social hour refreshments were served. A guest was Miss Mae Magnuson of Sheffield.

Veterans' Housing Rights Are Safeguarded By Rent Office

Veterans who have bought or are interested in buying a home in Erie and Warren counties under the Veterans' Emergency Housing Program are assured today by Frank S. Anderson, Area Rent Director, that their rights are being safeguarded now by the Office of Price Administration Area Rent Office in Erie.

"Veterans should help this office safeguard their preference rights and protect them from over-ceiling charges," Mr. Anderson said. "They can do this by reporting to this office any failure to display a 'Field for Veterans' placard on the site of each home built by a home owner or attempts to collect more than that amount."

The Erie Area Rent Office is located at 707 Commerce Building and is open from 10:30 a. m. to 4 p. m. except Saturdays and Sundays.

Mr. Anderson explained that OPA's compliance and enforcement program has four major objectives: (1) to protect Veterans' preference rights; (2) to insure that homes built under the program conform substantially with the builders' commitment to priority applications; (3) to assure that houses sell or rent at maximum legal prices or less and (4) to obtain compliance with the placard requirements of the program.

To help safeguard their rights, Veterans should be familiar with their rights and builders' obligations under the program.

Veterans' preference requirements are designed to assure that Veterans get the first chance to buy homes built under the program. Builders are required to offer for sale to Veterans' homes approved for building on or before August 6, 1946, during construction and for 30 days after completion.

Homes on which priorities were approved after August 6, 1946, must be held for sale to Veterans during construction and for 60 days after completion if not sold sooner to a Veteran. Similarly, units built for rent under the program must be offered for rent to Veterans during construction and for 30 days after completion unless rented sooner to a Veteran.

Veterans can help to safeguard their preference rights by reporting any houses believed to be built under the Veterans' Emergency Housing program on the site of which an official placard stating "Field for Veterans" is not displayed. Moreover, they should report any case where the placard fails to show the approved ceiling price for either sale or rent and the project serial number. The placard should be posted within five days after the construction begins and remain on the site until the Veterans' preference expires unless the house is sold or rented to a Veteran. Veterans may check on the ceiling price posted by consulting the local Rent Office, which has a copy of the original FHA approval to build which shows the authorized price.

COLE HILL
Cole Hill, Dec. 9—The deer season opened Monday with swarms of hunters from distant points as far away as West Middlesex, Edinboro, Pittsburgh, Cleveland, and New York state. Most of the hunters wearing their usual uniforms of red plaid garments and carrying expensive rifles, combed this area thoroughly the first two days of the season. It was reported six bucks were brought down on Monday and Tuesday. All the deer were killed by outside hunters and not a single deer has been killed by our local boys, but the boys haven't given the sport up. One hunter was using his method with a revolver to get his deer.

There has not been any report of illegal kills of deer by mistake on the hills so far reported.

John Bednar of Pittsburgh, who owns the lands formerly owned by C. L. Southwick, was hunting here last week and staying in the Allibozek camp. Three men in this camp got their deer last week.

Mr. and Mrs. Grant Herdendorf, of Warren, were hunting guests at the home of the latter's sister, Mr. and Mrs. Charles Camp and family last week. Grant was lucky in getting a nice six point buck on Thursday.

Charles Camp was one of the unlucky hunters last Friday. While driving the school children home from the Garland school saw a nice buck deer standing a short distance from the road in a field. Charles got his rifle from the trunk of the car, loaded it and shot the deer, but not critically enough to stop the deer from running away in the woods. As there was not enough snow or blood, the trail was lost.

The Cole Hill school house sold to the highest bidder at the meeting of the school board last Monday evening. The building was sold with the agreement it will be razed. The school house is one of the oldest buildings on the hill, built years ago when lumber was cheap and consisted mostly of pine. This building replaced the log cabin one which stood on the same ground Sidney Cole built after Mr. Cole settled the hill in 1840. The name of the party who bought the school house was not learned at this writing.

There has not been any school in the building for three years.

News reached us of the death of John Messinger, brother of the late Mr. H. E. McConnell of Torpedo, which occurred on Dec. 3 in Garrettsville, O., at the age of 79 years last Nov. 25th. Interment was made in the family plot in Matuwa cemetery, Ohio Dec. 6th.

Mr. Messinger was the surviving member of his family. He leaves a number of nieces and nephews.

Mr. Messinger was a photographer by trade in his early life.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

Warren Entry Blows Lid Off For Season's Opener; Good Team Picked Up For Locals

This week finds Baker's Cleaners trying the lid off for opening of the Allegheny Mountain Conference League. This Saturday night the Warren entry plays host to the St. Marys Moose club at the local Y. M. C. A. Game time 6:30 p. m. A preliminary between Struthers-Wells and unnamed opponent will get under way at 7:30 p. m. Tomorrow night the locals travel to Johnsonburg to open that city's entry in the A. M. C. League. In Saturday's debut to the Warren sport fans, Baker's offer some of the best courtiers to watch on the local hardwoods.

Irving Crane New World Billiards King

Philadelphia, Dec. 12—(P)—Irving Crane of Livonia, N. Y., was the world's pocket billiards champion today but the dethroned titlist, Willie Mosconi, walked off with the major individual laurels of the two week tournament. Crane scored a 10-inning victory over Andrew Fonzell of Philadelphia, 125 to 97, last night to wind up in first place in the field of eight. Mosconi captured second place by defeating Jimmy Caras of Wilmington, Del., 125 to 92 in 13 innings. The 33-year-old Crane, who held the championship in 1942 before losing to Erwin Rudolph of Charleston, O., won \$2,000 for taking the title. Mosconi received \$1,500 plus two bonuses of \$100 each for making up the tourney's longest run and for winning in the shortest number of innings. Caras, who finished in a three-way tie for third with Rudolph and Donorio Lauri of Brooklyn, N. Y., was awarded third place on the basis of total points. Rudolph placed fourth and Lauri fifth. Caras received \$1,250, Rudolph \$1,000 and Lauri \$750. The three other contestants, Arthur Cranfield of Syracuse, N. Y.; Fonzell and Joe Canton of Watervliet, N. Y., each received \$600.

Bonnies And Muhlenberg Leave Today

Allentown, Dec. 12—(P)—Floyd Schwartzwalder, coach of the Tobacco Bowl-bound Muhlenberg College football team, departs today for at least three of his players and expressed hopes that they "lay off." The Mule coach said National Football League moguls are "taking advantage of the loop hole" in the circuit's agreement not to touch a player until his class graduates by "going after ex-GIS." In the case of ex-GIS, said Schwartzwalder, "many of them are in service while their class graduated. They are back in college now trying to catch up on their education, and the professionals seem to be taking advantage of the loophole, following the letter rather than the spirit of their agreement." "They don't seem to care," he went on, "whether the players are juniors or freshmen in their classes, but I'm hopeful that when explain to them, they will be a little more considerate." Bert Bell, NFL commissioner, was unavailable for comment on Schwartzwalder's assertions. Muhlenberg meets St. Bonaventure in the Tobacco Bowl game at Lexington, Ky., Saturday. The team will fly south in two planes tonight.

Both Kane and Warren Are Considerably Weaker Teams

An article that really should put some pep into the Warren Dragons was noticed in the Kane Republican of Tuesday. A portion of this article will be reprinted so that Warren fans as well as the team and coaches can see how the Dragons stand in the eyes of other teams and newspapermen.

Kane High's basketballers were informed last evening by Coach Stuart Edwards that a better brand of ball must be demonstrated next Friday night if the club expects to defeat the Warren Dragons in their Friday, the 13th encounter at Warren as he reviewed the Mt. Jewett game last Friday evening and reported a shooting average of not much over 15 percent.

Warren hasn't shown a championship team in their three victories thus far, but they are always tough for Kane to trim and Norman Thompson and his mates will need all their accuracy to wallop the big Dragons. And they will need some more four-shooting skill along with it.

As things look now, Chuck Daly will be at his center post, a position which he filled capably against Mt. Jewett. For a relative newcomer, the lad looks good. Jim Vail and John Haddfield will be at guards, and they both can be counted on to give a good account of themselves. That leaves Novosel and Saines to team with Thompson.

Warren lost most of their big team from last season, but have plenty of speed and power. This season several Kane fans saw them beat Youngville, and they had to come from behind, they put on a good show in the third period to win by a comfortable margin, and still insert a gang of second-stringers.

The Dragons will be in for a really tough battle tomorrow night at Beaty Junior High, but the odds will be laid pretty even as Kane has lost some start players as well as Warren. Big "Buck" Byham and "Fet" Erickson, both high scorers for Kane last year, will be absent from the lineup, so Kane will be working with a relatively new team.

Rhode Island, the smallest state in the Union, is the mostly densely populated.

Russell High Has Alumni Game Friday

Russell High school boys' and girls' basketball teams are getting all set for Friday's games with the alumni in the Warren senior high school building. These games are causing much excitement for the alumni, game of course is the occasion when the former stars try to demonstrate just how the game should be played and the present day players actually by a wide score margin show how the game has advanced since the olden days. However this year may be an exception for reliable reports are reaching the high school daily that are causing at least a minimum amount of concern.

It is reported that among the alumni there will appear many ex-service men who starred on the basketball court in the days of long ago. Many old basketball fans will attend these games to enjoy seeing the old grads in youthful garb trying to arrest the speedy efforts of the fast playing present high schoolers. Although the high school teams respect their elders and wish them success in Friday's games they will not accept any responsibility for possible complaints of sore muscles and rheumatism that may bother the alumni players in the days after the game.

The girls' game will start things off at 7:30 with the main attraction coming later.

In the boys' lineup for the alumni will be James Akeley, Larry Park, Junior Akeley, John Kane, Clifford Cable, Raymond Lundgren, Walter Wheelock, Ray Briggs, Bob Stafford, and Larry Werner. There will probably be other members of the Russell High alumni who will see action in the game.

The alumni girls will see Patty Wood, Nora Mary Park, Lorna Ramadell, Irene Akeley, Alberta Ramadell, Doris Beckwith, Lillian Brasington, and Eva Schultz in action.

The girls' game will start things off at 7:30 with the main attraction coming later.

Sports Boosters Consider Plans at Enthusiastic Meet

Many matters of prime interest to sport fans and the community as a whole were discussed last night at an enthusiastic and well attended meeting of the Sports Boosters Association, held at the Y. M. C. A.

Plans for 1947 were discussed by President Schumacher, who appointed a nominating committee and instructed the membership committee to lay its plans for securing renewal and new memberships in the association.

Claude Schindler and his football committee will start today to make arrangements for the first banquet for the Warren High School gridders, to be held in January. A prominent football coach will be the speaker and the expenses of the banquet will be taken care of by the Sports Boosters members who attend, any deficit to be paid from the association treasury.

Guests will probably be the let-

Jr. Leaders' Corps Being Started at Y

A Junior Leaders' Corps is to be started at the Y. M. C. A. on Friday from 4:00 to 5:00 p. m., and will meet each Friday thereafter. These boys are chosen from the different groups in respect to their general abilities, good conduct, and qualities of leadership. They will be given assignment such as aiding in the swimming pool, refereeing and keeping score for younger boys' basketball games, leading exercises and games etc.

Those chosen to start the corps off are the following: Jim Wingard, Stuart Wineriter, Ralph Peterson, Donald Munum, Dan Wilson, Ralph A'Harrah, Ralph Hoffman, Richard Lundahl, Charles Fischer, Bob Foley, John Stohl, and Charles Salerno. Others will be added as their qualities and conduct merit it.

The announcement of the revival of this corps will undoubtedly bring back fond memories to the boys who are now in the "Young Men's" class, and are now being charged with accusations that "you are too old to do this." It makes a guy think of the time when the shadow part of the pool came up to his neck.

Unless We Make Peace—A Preview of World War III

By HAL BOYLE
New York—(AP)—Vice Admiral Daniel E. Barbey thinks the United States might "suffer five million casualties within a few hours" in the event of a future surprise attack against it with mass destruction weapons. "But they couldn't knock us out," said the commander of the fourth fleet and veteran of 63 landings in the Pacific, "and within a matter of hours our reprisal attacks would be underway on a large scale." Barbey believes that America

Pennsy Has Small Wreck Near Kinzua

Wracking crews from Olean, N. Y., and Warren were engaged today in clearing up a wreck that occurred shortly before midnight on the Buffalo Division of the Pennsylvania railroad two miles north of Kinzua, at Sugar Run. According to reports the accident occurred when twelve cars on an extra freight were derailed tearing up the track for some distance. Freight traffic over the division was being detoured over the Chautauqua division through Corry today. There were eighty cars in the train, and fortunately no person was injured.

has at least a ten-year edge over other countries in the production of weapons of mass destruction. They are a practical monopoly. But we must keep planning ahead." He says this military advantage is the strongest behind-the-scenes argument for the success of the United Nations. If another war does come, however, Barbey said, "it would not be a duel between gentlemen, but a war for the survival of the masses of civilization." He said he could see no reason for emphasizing possible attacks over the North Pole. He thought it more likely that a foreign enemy would "send out a dozen or so submarines and atom-bomb our eastern coastal cities from scattered positions hundreds of miles out in the Atlantic." Rockets carrying atomic warheads could be fired even while the submarines were submerged, he added. "But our retaliation would be swift, unavoidable by the enemy, and more damaging—if we keep our strength," said Barbey. The admiral took issue with those who believe that in the event of a war with Soviet Russia the Russians would move huge infantry masses into western Europe and seize such centers as Rome, Antwerp and Paris in the hope that we would not atom-bomb these friendly capitals and so would again require a gigantic

Three Dead In Crash of Car And Oil Truck

Downington, Dec. 12—(AP)—A car and an oil truck collided head-on last night in one of the worst accidents in this area in many years, killing five persons and hospitalizing four others.

Three of those killed were thrown clear of the wreckage and their bodies strewn in a nearby field. The others died as they were being taken to Chester County hospital.

Deputy Coroner Fred Manship said the two vehicles collided on a curve about a mile south of Downington on a main highway. The truck did not catch fire, he reported.

The president said he would send separately to the new Republican-controlled congress a message on the budget and a third message based on the report to be made soon by his economic advisory (maximum employment) Council.

Truman Says Strikes Delay Terminating Emergency

(From Page One) Lewis matter was in the courts and he would have nothing to say about the Mine Workers' leader or about the recent coal strike.

The president said he would send separately to the new Republican-controlled congress a message on the budget and a third message based on the report to be made soon by his economic advisory (maximum employment) Council.

Steelmen To Be Assistant To President

(From Page One) 3. Prosecute violations of past and present control orders, and 4. Carry forward the administration's program of scrapping government controls as rapidly as possible. Eventually it, too, is expected to decontrol itself out of existence.

BULLETINS

Paris, Dec. 12—(AP)—Socialist Leon Blum, 74, was elected president-premier today of the interim French government which will serve until mid-January.

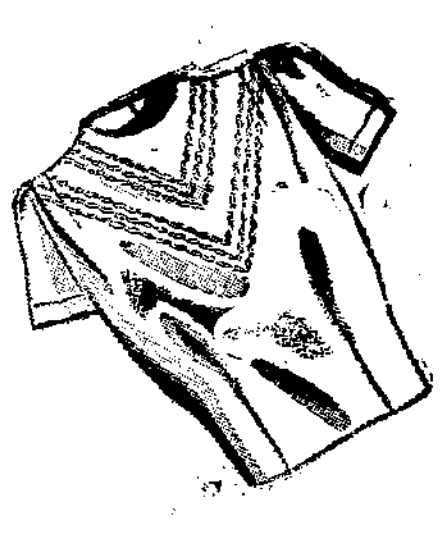

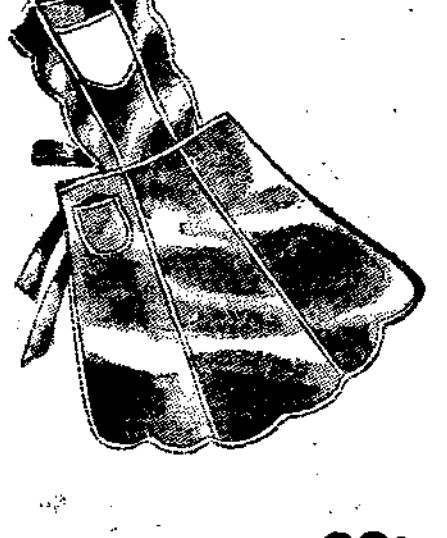

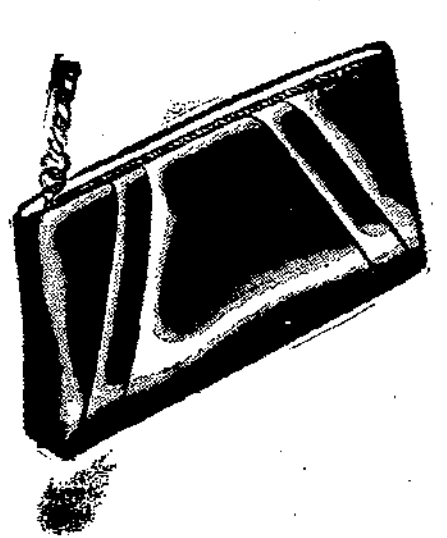

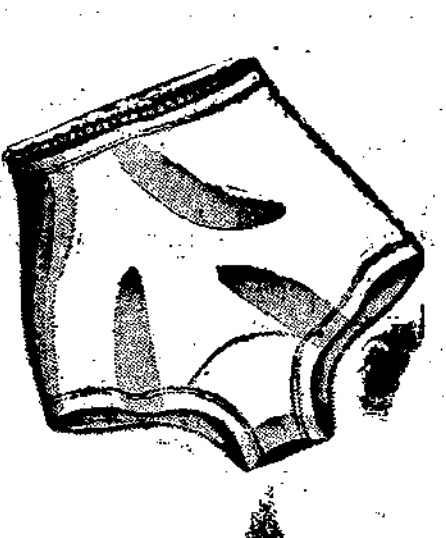

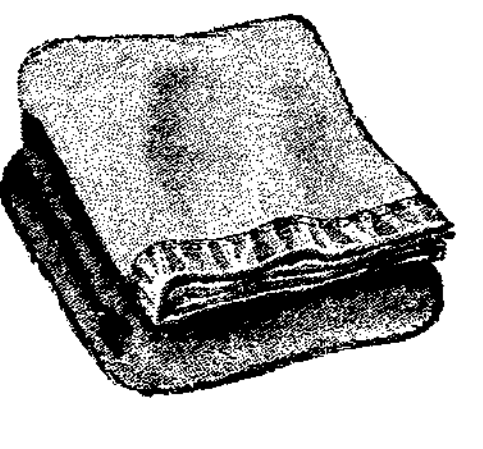

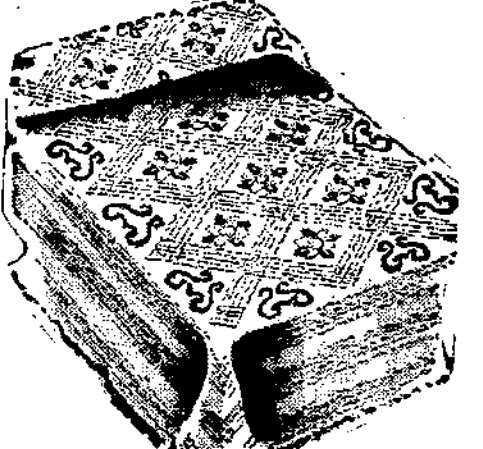

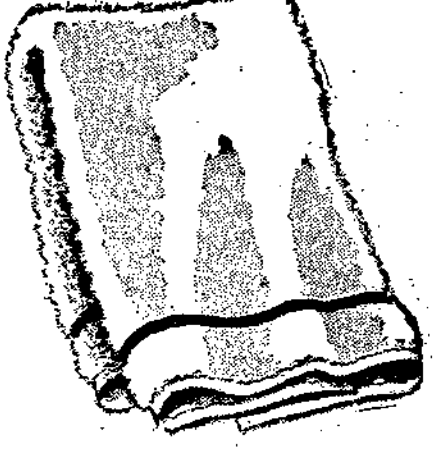

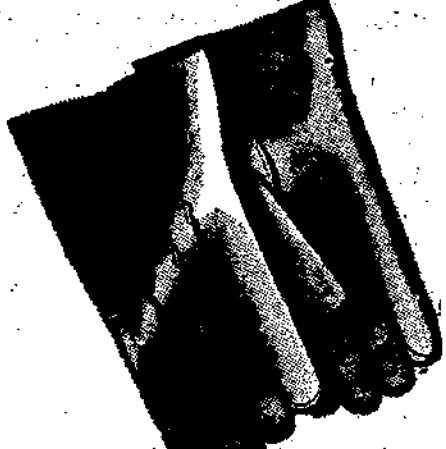

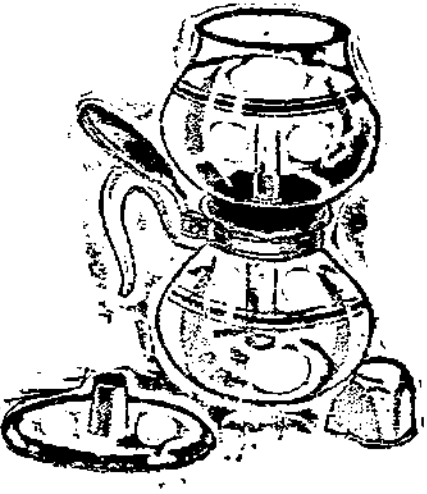

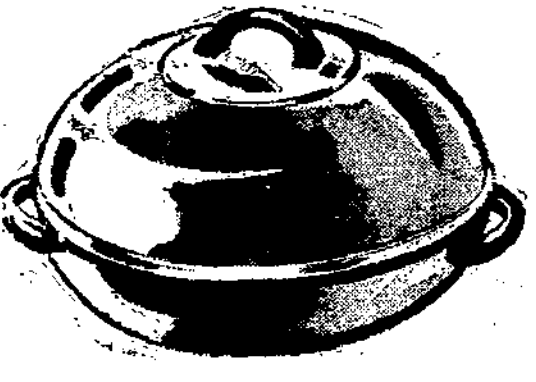

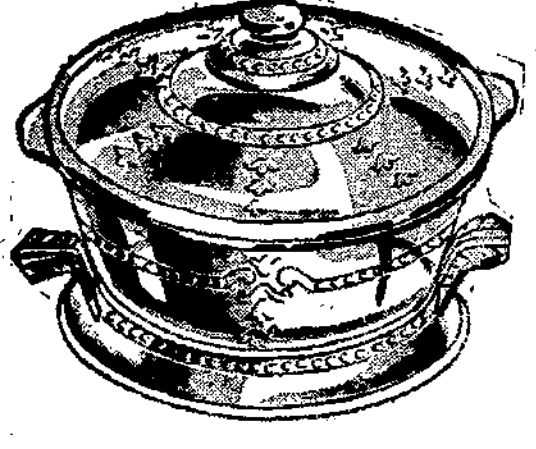

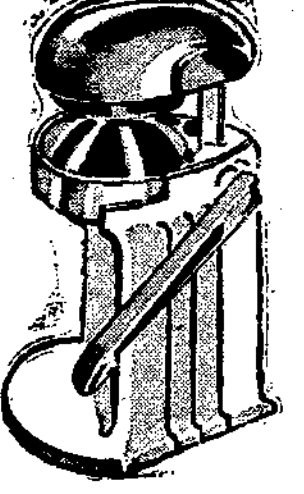

Lake Success, N. Y., Dec. 12—(AP)—Surprised by the John D. Rockefeller, Jr. offer of an \$8,500,000 permanent headquarters site in New York City when it actually was in session to vote on postponing the whole question a year, the United Nations site committee worked overtime today preparing for action on the proposal.

Pittsburgh, Dec. 12—(AP)—The federal government will seek a hearing in federal district court here soon to determine if the state of Pennsylvania is obligated to sell the DeShon General Hospital, near Butler, for \$2,512,297.
